STORY TIME

in the Library **Media/Conference Room**

What is Story Time?

Story Time is a free service of the Round Valley Public Library. It's a fun opportunity for parents to introduce their children to reading and language. At our Story Time, children will do activities (**puppets, fingerplays, songs, and crafts**) that promote development and learning. Parents will learn new ways to share stories with their children. Story Time is designed for parents to participate with their children. Arrangements for school, daycare, or other group visits need to be made in advance.
