

On January 1, 2014, the Friends of the Round Valley Public Library stepped up to fill a void left when the Round Valley Chamber of Commerce closed its doors. We've adopted the web site, RoundValley.org, and would like to offer a listing of all the organizations and businesses in Round Valley.

Listings are free, but a contact number or email address is required for posting. We're constantly working to update the list at RoundValley.org/Businesses. If you would like to be included, please fill out the information to the right.

Links to web pages are included as part of the listing, however you need not have a web page to be listed.

Don't have a web site? If you are a current member of the Friends, one of our volunteers will gladly design a simple, one page site for you. Your membership and a token \$20 donation the Friends is all that is required! Your page will remain active as long as you maintain your membership in the Friends. Take a look at what we did for the [Fire Department](#).

If you would like a more elaborate site designed, such as the one prepared for the [Water District](#), feel free to contact us and we will be glad to discuss it with you.

Not yet a member of the Friends? Would you like us to prepare a web page for you? Just print out this form and include a note telling us that you are becoming a member along with \$20 extra and the information below. Or you can visit our on-line donation site at [DONATE](#).

your name:
business name (or
name of organization)
contact address:

email address:

telephone number:

web site:

are you currently a member?

would you like a web page designed for you for a \$20 donation?

Click on the above icon to visit our page listing businesses and organizations.
